

JANUARY NEWSLETTER

Hi Everyone. This is the first of our monthly newsletters to keep you all up to date with what is happening at NSC. First off, we at NSC wish you all a very Happy New Year and pray you have a blessed 2019.

We are excited about 2019 and look to the Lord for His blessing and guidance. We have had a lot of changes in personnel during the past few months. We are sorry

to say goodbye to James Strange. James is a talented musician and gifted singer and his technical support at the NSC concerts was much appreciated. We wish James well with his future endeavours with CRM Music.

As you will have noticed on our website, the Lord has provided new partners to replace for James in the form of Joseph and Sandra Kennoway as co-promoters and we are delighted to welcome them on board to continue with the ministry. Watch out for more articles on Joseph and Sandra in the months to come.

Our team has also expanded to cope with the increased workload. It takes many hands to promote and publicise the concerts, whether it's ticket sales, poster and roadside banner erection or venue preparation. If you would like to help with this work please contact us nearer concert time.

Watch out for posts on the website introducing the team.

We launched the tickets for the Lynda Randle Concerts at the beginning of December to allow people to purchase them for their Christmas gifts. This always proves popular, and our online sales have been excellent. Everyone who purchased their online tickets before Christmas have been afforded complimentary reserved seating in the front 3 rows of either venue at the Concerts. This offer will continue until the 3 rows are sold out - so purchase your tickets ASAP to avail of this promotion. Tickets can be bought on line at www.nsconcerts.com or also through our ticket lines .07774 343 005 or 028 2586 2101.

The other big news at the start of 2019 is the securing of our American artists for 2020!! We are thrilled to have Jeff and Sherie Easter and their daughter Morgan as our anchor artists for 2020 Concerts. It does seem a long way away until September 2020 but as we all know, it will be here before we realise it. It may seem a long way ahead but quality American artists are booked up well in advance

Look forward to keeping you up to date in our February Newsletter.

Praise the Lord. For it is good to sing praises to our God.
